LIBRARY NEWS TERM 2 2015

I hope you find something of interest from this list. Let me know if you would like to borrow any of these books (by completing the request form at the end) or if you have suggestions for new ones.

Please be aware that it is possible for you to access our library through the school portal. This allows you to use the library’s enquiry terminal to find lists of all library resources. Details on how to access the school portal are provided at the end of this Newsletter. You can also access a huge range of library information & services via Moodle. The Library Support section will connect you to information on how to borrow books, how to improve research your skills & also to find out more about the Premier’s Reading Challenge.

Best wishes to our senior students for their upcoming exams. Remember to return all books & library resources when finished with them so that next year’s students can make use of them.

Overdue notices are sent out twice per term. These show books and resources that have been overdue for some time. Many have not been returned simply because they are still being used. If this is the case please contact the school to have them renewed.

Please understand that we are unable to send you library resources until loans from previous years have been returned. However, if you still have a need for those resources, they can easily be renewed for you. A simple request by phone or a note in your mail bag will suffice.
