To Check Activity and Marks as a Supervisor

Select the student’s name in the supervisor block

You can see the last time the student accessed Moodle here

**To View Marks:**

Select the course listed next to course profile

Open the Navigation Panel
  
  - select Activity Reports (Under the Student’s name)
  - select Grade

To view a different subject: go back to the student profile.

To view a different student: go to the homepage (click on CHHS logo) and select their name in supervisor block.
