How does she find out his mobile number?

Are these statements true or false? Listen to the CD as often as you need and write your answers in your exercise book. Check your answers by referring to the end of lesson 4.

1.4 Do Cartoon Story Übung 1 to revise then Übung 2 to check your understanding. Listen then click on the correct word to fill the gap. Check your answers.

1.5 Have a look at the Theodor-Heuss-Gymnasium website. If the one given is unsuccessful, try to find a successful link, eg. www.thg-goettingen.de/. Sometimes sites are being updated and you have to search around, but it is usually worth the effort! (postpone 1.4 until later this week if you need to)

Lesson 2

Die Zahlen 0-20

2.1 Fokus Part a. (Kb p16) introduces the numbers from 0 to 20. Follow the list and the dialogue while listening to Audio CD track 20. Listen as often as you need.

Can you work out Tom’s phone and mobile numbers?

Have a look at Schreibtipps (Kb p19) to see how German people write their numbers. Why do you think there’s a line through the middle of the 7?
